General Co-Chairs

Yi-Kuen LEE, Hong Kong University of Science and Tech.

Ching-Hsiang CHENG, Hong Kong Polytechnic University

Technical Program Chair

Xuming Zhang, Hong Kong Polytechnic University

Abstract Submission Deadline: 4 February 2018

The 9th Asia-Pacific Conference of Transducers and Micro-Nano Technology (APCOT 2018) will be held in Hong Kong in 24 – 27 June 2018. Situated on China's south coast and, enclosed by the Pearl River Delta and South China Sea, Hong Kong is known for its impressive skyline and deep natural harbour. APCOT will provide interaction between attendees, presenters and exhibitors. The Final Contest of the International Contest of Applications in Nano-Micro Technologies, i.e., **ICAN 2018**, will be held in conjunction with APCOT 2018.

Conference Topics

1. Theory, Design, Analysis, and Simulation
2. Material, Fabrication, and Packaging Technologies
3. Physical Sensors and Microsystems
4. Chemical Sensors and Microsystems
5. Bio/Biomedical Sensors and Microsystems
6. Medical Devices and Microsystems
7. Micro/Nano Fluidics
8. Actuators
9. RF MEMS/NEMS
10. Optical MEMS and Nano-Photonics
11. Energy and Power MEMS
12. Wireless sensor networks and sensors for Internet of Things (IoT).

We hope you will join us in Hong Kong for APCOT 2018. For more information about the conference, please check the website:
